### **Contemporary Oval Elegance: Handmade Modern Oval Rug**

Introduce a touch of contemporary elegance to your living space with our Handmade Modern Oval Rug. This rug is a true masterpiece, carefully crafted to provide a unique and eye-catching focal point for your room.

The oval shape of the rug itself is a modern twist on the traditional rectangular rug, making it a striking addition to your decor. Its design begins with a thick, solid black border, creating a bold frame for the piece. As you move inward, a rich red floral border encircles the central area, adding a burst of color and life.

Within the ivory-colored central background, a beautiful array of red and yellow flowers takes center stage, each intricately detailed with their delicate petals and leafy green stems. These flowers not only provide a pop of vibrant color but also bring a sense of natural beauty into your

home.

Handmade with meticulous care, this rug is more than just a floor covering; it's a work of art that complements modern design with its artistic flair. The combination of the solid border, floral elements, and striking colors make it the perfect addition to a space that craves contemporary elegance and a touch of nature-inspired design.
