This Oval floral rug features a unique modern take on the traditional floral design. The dominant ivory color is accentuated with a splash of green, giving it a fresh and lively look. The pink and green secondary colors create a stunning contrast against the ivory background.

Made from high-quality materials, this rug has a soft and plush feel underfoot, making it the perfect addition to any room. The unique texture of this rug adds an interesting element to its overall design, making it a true work of art.

The oval shape of the rug also adds an interesting twist to its design, making it an eye-catching centerpiece for any room. The size of the rug makes it versatile enough to use in a variety of spaces, from living rooms to bedrooms.

If you're looking for a rug that combines traditional and modern elements, the Addison Floral Oval Rug is the perfect choice. Its fresh green accent color and unique oval shape make it a true

standout piece in any space. Browse our collection of modern floral rugs to find more pieces like this one.
