China Pican 5843

This vintage rug from the 1920s is a rare find and an excellent addition to any collector's or interior designer's collection. Hand-carved with a high-low texture, this rug is in its original condition, preserving its unique character and beauty.

Made in China during the 1920s, this rug features a traditional design with intricate patterns and details. The colors used are rich and vibrant, adding warmth and depth to any room. The hand-

carved high-low texture adds dimension and visual interest to the rug, creating a unique tactile experience.

As a vintage piece, this rug has a story to tell and adds a sense of history and charm to any space. Whether you're looking for a statement piece or a one-of-a-kind accent, this vintage China rug is sure to impress.
