Chinese Rug with Traditional Persian Design

Imagine a captivating Chinese rug that seamlessly melds the intricate charm of traditional Persian design. This rug boasts:

- Burgundy Background: The central area features a rich burgundy background, creating a warm and inviting focal point.

- **Black Border:** Embracing the rug is a sophisticated black border, framing the intricate motifs and adding a touch of refinement.
- **Abundant Motifs:** Revel in the wealth of motifs scattered across the rug. The surface is adorned with a myriad of traditional Persian designs, showcasing the artistry and craftsmanship.

This Chinese rug, with its burgundy center, black border, and myriad motifs, harmoniously blends Chinese and Persian influences, offering a timeless piece for your space.
