Elegance Meets Customization: India Modern Rug - Designed by Saeideh Omidghaemi

Introducing our India Modern Rug, a true masterpiece of design and craftsmanship, exclusively designed by Saeideh Omidghaemi. This rug seamlessly blends tradition and contemporary innovation, offering you the opportunity to bring your dream rug to life.

Crafted with care and precision, each rug features a high-low texture that adds depth and character to its design. Whether you desire a specific size or a custom color palette, we are here

to transform your vision into a handmade reality.

What makes these rugs even more exceptional is the use of natural undyed wool, emphasizing our commitment to eco-conscious and sustainable practices. The mix of Rug and Somakh weave adds an intriguing element of texture and pattern.

For those seeking rugs that are not just pieces of decor but expressions of your unique style, our India Modern Rug is the perfect choice. Your space deserves the elegance and artistry that only a custom-designed rug can offer.

Explore our custom-designed rugs and bring your vision to life with our exclusive India Modern Rug, designed by Saeideh Omidghaemi. Your dream rug awaits at Aladdin Rugs Los Angeles store, where innovation and tradition meet to create the perfect rug for your home.
