Explore the exquisite charm of our 5.7x7.7 rug, a testament to the seamless fusion of transitional design and modern aesthetics. This unique piece skillfully balances simplicity and vibrancy, making it a perfect addition to any room.

The rug features a mainly brown background that exudes warmth and sophistication. What sets it apart is the absence of any pattern on the border, creating a clean and contemporary look. The vibrant floral designs in shades of blue and red gracefully adorn the brown canvas, adding a touch of modern flair to the transitional design.

Handcrafted with precision, this rug offers a harmonious blend of traditional craftsmanship and contemporary style. The solid color border seamlessly merges with the background, allowing the intricate floral patterns to take center stage. Elevate your living space with this hand-made masterpiece, available at Aladdin Rugs.
