This Bakhtiyari Rug is a stunning vintage Persian Bakhtiyari rug that has been stonewashed and refinished in Pakistan to give it a fresh new look while retaining its traditional charm. The rug features a classic Persian design with a floral pattern in a range of warm colors including red, orange, blue, and brown, all set against a neutral beige background. The stone-washing process gives the rug a unique, aged look and feel, while the refinishing work enhances its beauty and durability.

This vintage rug is perfect for adding character and sophistication to any room in your home,

and its timeless appeal ensures it will remain a treasured piece for generations to come.
