This machine-made traditional rug features a captivating circle design that takes center stage in any room. With a deep and rich black background, it exudes an air of sophistication and elegance. The black serves as the perfect canvas for the intricate patterns that adorn the rug's surface.

A bold and substantial ivory border frames the central design, creating a striking contrast against the black background. Within this ivory border, you'll find a series of beautifully detailed motifs that add depth and character to the rug. These motifs are inspired by traditional design elements and evoke a sense of heritage and timelessness.

The circle design within the rug is both captivating and visually appealing. Its symmetry and balanced proportions draw the eye and create a sense of harmony within the overall composition. The geometric patterns within the circular design are not only aesthetically pleasing but also give the rug a sense of structure and order.

This machine-made rug is not just a floor covering; it's a piece of art that can transform any space into a place of elegance and style. The combination of the black background, the ivory border, and the intricate motifs within the circular design creates a rug that is both classic and contemporary, making it a versatile addition to a wide range of interior design styles. Whether placed in a living room, dining area, or even a bedroom, this rug adds a touch of refinement and sophistication to any setting.
