Introducing our captivating modern rug, designed exclusively for Pasadena, CA, with dimensions of 8.8x12. This rug transcends ordinary floor coverings, offering a dynamic interplay of high and low textures that transform your living space into a work of art.

What sets this rug apart is the meticulous craftsmanship that goes into creating its high-low effect. The wool is carefully cut with precision, enhancing the texture and allowing the silk to stand out. This technique results in a visual masterpiece that engages both your eyes and your touch.

As you step onto this rug, you'll experience a sensory delight as the different textures come to life underfoot. It's more than just a rug; it's a tactile experience that adds depth and intrigue to your decor.

For those in search of modern rugs in Pasadena, CA, that redefine elegance and artistry, our High-Low Rug is the ultimate choice. Whether it graces your living room, dining area, or any other space, it becomes a statement piece that leaves a lasting impression. Elevate your décor with this masterpiece of design and craftsmanship, and experience the difference that artistry can make in your home.
