Look no further than the exquisite 8.6x11.5 rug featuring a colorful reinterpretation of the classic Oushak design. This rug is not just a piece of decor; it's a work of art that seamlessly blends the old-world charm of Oushak with a contemporary aesthetic.

THE DESIGN AESTHETIC

At first glance, the rug captivates with its vibrant colors and intricate patterns. The orangish-red background in the middle serves as a bold focal point, while the vivid ivory borders add a touch of elegance. The bold blue, green, and ivory motifs in the center of the rug create a mesmerizing contrast that draws the eye and adds depth to the design.

CRAFTSMANSHIP AND MATERIALS

Crafted with precision and attention to detail, this rug features abrash wool that not only adds texture but also enhances the overall appeal of the piece. The low pile ensures easy maintenance and durability, making it a practical choice for high-traffic areas. The short fringe adds a touch of character, while also giving a nod to the traditional roots of the Oushak design.

One of the best things about this modern twist on the Oushak design is its versatility. Whether you have a minimalist, bohemian, or eclectic decor style, this rug effortlessly complements a variety of interior aesthetics. Place it in your living room to anchor the space or use it in your bedroom to add warmth and personality to the room.
