HIGH AND LOW PILE TEXTURES

One of the defining features of Indian modern handmade rugs is the play of high and low pile textures. This creates a sense of depth and dimension, adding visual interest to any space. The contrast between the raised and lower sections of the rug gives it a luxurious look and feel, making it a statement piece in any room. Whether you prefer a plush, high pile rug for a cozy feel or a low pile rug for a more sleek and modern look, Indian handmade rugs offer a variety of options to suit your style and taste.

ELEGANTLY DETAILED IN SILK RAISED DESIGN

What sets Indian modern handmade rugs apart is the intricate silk raised designs that adorn them. These designs are meticulously crafted by skilled artisans, adding a touch of luxury and sophistication to the rug. The raised silk details catch the light beautifully, creating a shimmering effect that instantly elevates the overall aesthetic of the rug. Whether you prefer geometric patterns, floral motifs, or abstract designs, Indian handmade rugs offer a wide range of options to choose from, ensuring that you find the perfect rug to complement your decor.
