Our Handmade Multicolor Kilim is a true masterpiece that celebrates the rich tapestry of traditional design and the captivating allure of Moroccan influence. This rug is a visual delight, with vivid colors that breathe life into your living space.

The design of this Kilim is a splendid combination of tradition and Moroccan style. Five lines of borders frame the central artwork, and in the heart of the rug, you'll find a Moroccan-inspired design that adds a touch of exotic charm.

What makes this Kilim truly unique is that only one-third of the rug's design is Moroccan, while the rest remains firmly rooted in traditional aesthetics. This creates a beautiful balance that infuses your living space with character and culture.

With each glance at this Multicolor Kilim, you'll be reminded of the heritage and artistry that goes into creating such a vibrant masterpiece. It's a rug that bridges the gap between tradition and modernity, making it the perfect addition to your home.
