

PAKISTAN | 5'5"X8'

\$1,950

In a size of 5.5x8, this nomadic design rug presents a captivating linear pattern that beautifully combines a modern aesthetic with a Spanish flair. Crafted with meticulous care, this hand-made rug is a testament to high-quality artistry.

The vibrant colors take center stage, creating an atmosphere of energy and warmth. Predominantly featuring shades of red and oranges, the rug exhibits a bold and lively palette. The use of vibrant colors adds a touch of vivacity to the overall design.

The nomadic design, with its linear pattern, introduces a modern twist while maintaining elements reminiscent of Spanish styling. This fusion of styles contributes to the rug's uniqueness, making it a standout piece in any room.

An abrash effect, showcasing a blend of multi-color tones, adds depth and character to the rug. This deliberate variation in color tones enhances the visual interest and creates a dynamic,

textured appearance.

Designed to be more than just a floor covering, this nomadic rug is a work of art that brings a burst of color and personality to your space. Whether placed in a living room, dining area, or any other room, this hand-made, high-quality rug is sure to become a focal point, infusing your interior with its vibrant and modern Spanish-inspired charm.
