Chinese Rug with Persian Design

Imagine a captivating Chinese rug that seamlessly blends traditional Chinese craftsmanship with the intricate beauty of Persian design:

- Design Harmony: This rug features a traditional layout with a black background in the middle section and a white background in the border, creating a visually appealing contrast.

- Persian Flower Motifs: Delight in the abundance of Persian-inspired flower motifs adorning the rug. The design is a vibrant tapestry of detailed red and green motifs, bringing a rich and intricate aesthetic to your space.

- Craftsmanship Fusion: Witness the fusion of Chinese rug-making expertise with the timeless charm of Persian floral patterns, resulting in a masterpiece that pays homage to both traditions.

Elevate your home decor with this unique rug that harmoniously marries the artistic elements of two distinct cultures.
