Persian Turkmen Prayer Rug

Discover the enchanting Persian Turkmen prayer rug, meticulously crafted for spiritual moments:

- Dark Green and Black Borders: The rug features a captivating combination of dark green and black, framing its intricate design and adding an aura of elegance.

- White Background in the Middle: In the central area, a pure white background creates a serene space, symbolizing purity and tranquility.
- Hand Motifs for Prayer: Positioned at the top, two hand motifs signify the designated space for prayer. These elements add a sacred touch, enhancing the rug's purpose for religious rituals.

This Persian Turkmen prayer rug is not only a stunning piece of art but also a meaningful companion for moments of reflection and prayer.
