Traditional Turkmen Design

Envision a masterpiece of traditional craftsmanship:

- Red Background: This Turkmen rug showcases a rich, vibrant red background, adding warmth and sophistication to any space.
- Moroccan Diamond Shapes: Immerse yourself in the beauty of Moroccan-inspired diamond

shapes meticulously woven across the rug. Each diamond pattern contributes to the rug's intricate design, reflecting the artistry of Turkmen craftsmanship.

- Handmade Excellence: Crafted with precision and care, this rug represents the essence of handmade excellence. The dedication to detail is evident in every knot and pattern, making it a true work of art.

Embrace the timeless allure of a traditional Turkmen design, where cultural heritage and artistic expression converge.
