

PAKISTAN | 5'5"×8'

\$1,950

Introducing the Pakistan Super Kazak in a size of 5.5x8, a captivating blend of traditional geometry and modern design. This rug reinterprets the classic Kazak style, infusing it with a contemporary twist for a visually striking piece.

With a traditional geometric foundation, the rug unfolds on an ivory backdrop, providing a neutral canvas for the intricate details to shine. The careful arrangement of red and orange geometric designs adds a vibrant touch, creating a harmonious interplay of colors and shapes.

To enhance the luxurious feel, the wool undergoes a silk wash process, imparting a subtle shimmer reminiscent of silk. This technique elevates the overall texture and visual appeal of the rug, offering a touch of sophistication.

The rug's traditional Kazak elements are reimagined with a modern flair, showcasing the adaptability of geometric patterns to contemporary settings. The Super Kazak rug, with its rich detailing and unique color combination, becomes a focal point in any room.

Whether placed in a living area, bedroom, or any space seeking a blend of tradition and modernity, the Pakistan Super Kazak rug in the size of 5.5x8 stands as a testament to craftsmanship, offering both timeless geometric elegance and visual allure.
